

## Filter

**"Filter should be the first on page"**

**"In the date field should I type in a date? Or is there a calendar?"**

**Under the date I expect to show a calendar**

**"I expect to select more style here"**

## Home page

**Frustrated how to start**

**"This star should has a title"**

**Too much stuff on a home screen**

## Detail

**"If this line of filtered musicians clickable? Where should I go to the detail?"**

**Frustrated how to select a filtered musician**

**Feel lost how to proceed to a detail of the musician**
